PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
To Be Held On June 6, 2018

The enclosed Proxy is solicited by the Board of Directors (the "Board of Directors") of Greenpro Capital Corp, a Nevada corporation, for use at our Annual Meeting of Stockholders (the "Meeting") to be held on Wednesday, June 6, 2018 at the offices of Room 1701-1703, 17/F, The Metropolis Tower, 10 Metropolis Drive, Hung Hom, Kowloon, Hong Kong and any adjournments thereof. The Board of Directors has set the close of business on April 13, 2018, as the record date (the "Record Date") for the determination of stockholders entitled to vote at the Meeting. A stockholder executing and returning a proxy has the power to revoke it at any time before it is exercised by filing a later-dated proxy with, or other communication to, the Secretary of the Company or by attending the Meeting and voting in person. It is anticipated that this Proxy Statement will be mailed to our stockholders on or about April 20, 2018. References to the "Company," "us," "we," or "our," refer to Greenpro Capital Corp.

The Annual Meeting is for the purpose of considering and voting:

1. To elect the Board of Directors. The Board intends to present for election the following seven nominees: (1) Lee, Chong Kuang, (2) Loke Che Chan, Gilbert, (3) How, Kok Choong, (4) Chuchottaworn, Srirat, (5) Hee, Chee Keong, (6) Shum, Albert, and (7) Chin, Kiew Kwong;
2. To ratify the appointment of Weinberg & Company P.A. ("Weinberg") as our independent registered public accounting firm for the fiscal year ending December 31, 2018; and
3. To transact such other business as may properly come before the Annual Meeting and any postponement(s) or adjournment(s) thereof.

In the event that a quorum is not present at the annual meeting, you may also be asked to vote upon a proposal to adjourn or postpone the annual meeting to solicit additional proxies.

Record Date

Only stockholders of record as of the Record Date will be entitled to vote at the Annual Meeting and any adjournments thereof. As of the Record Date, 53,233,960 shares of our Common Stock, par value \$.0001 per share ("Common Stock"), were issued and outstanding. The holders of our Common Stock are entitled to one vote per share.

Voting Rights and Quorum

Each share of our common stock is entitled to one vote. The presence in person or representation by proxy of holders of a majority of the shares of our common stock issued and outstanding as of the close of business on the Record Date will constitute a quorum at the annual meeting. If a share is represented for any purpose at the meeting, it is deemed to be present for the transaction of all business. Abstentions and broker non-votes are counted as present for the purpose of determining the presence or absence of a quorum for the transaction of business. In the event that a quorum is not present at the annual meeting, it is expected that the annual meeting will be adjourned or postponed to solicit additional proxies.

Vote Required

Each item to be acted upon at the meeting requires the affirmative vote of the holders of a majority of the shares of our common stock represented at the meeting in person or by proxy and entitled to vote on the item, assuming that a quorum is present or represented at the meeting. Directors are elected by a plurality of the votes cast by stockholders entitled to vote for directors at the Meeting.

A properly executed proxy marked “WITHHOLD” with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, and will have the same effect as a vote cast against such director. With respect to the other proposal, a properly executed proxy marked “ABSTAIN,” although counted for purposes of determining whether there is a quorum, will not be voted. Accordingly, an abstention will have the same effect as a vote cast against a proposal. Under Nevada law, a broker non-vote will be treated as not being voted and will have the same effect as a vote cast against a proposal.

A “broker non-vote” occurs when a broker, bank, or other holder of record holding shares for a beneficial owner does not vote on a particular proposal because that holder (i) has not received instructions from the beneficial owner and (ii) does not have discretionary voting power for that particular item.

If you are a beneficial owner and you do not give instructions to your broker, bank, or other holder of record, such holder of record will be entitled to vote the shares with respect to “routine” items but will not be permitted to vote the shares with respect to “non-routine” items (those shares are treated as “broker non-votes”). If you are a beneficial owner, your broker, bank, or other holder of record has discretion to vote your shares on the proposal to ratify the appointment of Weinberg as our independent registered public accounting firm if the holder of record does not receive voting instructions from you. However, such holder of record may not vote your shares on the election of directors without your voting instructions on those proposals. Accordingly, without your voting instructions on those proposals, a broker non-vote will occur. We encourage you to provide instructions to your bank, brokerage firm, or other nominee by voting your proxy. This action ensures that your shares will be voted in accordance with your wishes at the annual meeting.

Voting and Revocation of Proxies

After carefully reading and considering the information contained in this proxy statement, you may attend the annual meeting and vote your shares in person, by telephone or over the Internet. You may also grant your proxy to vote by returning a signed, dated and marked proxy card, by telephone or over the Internet.

Unless you specify to the contrary, all of your shares represented by valid proxies will be voted

- “FOR” all director nominees; and
- “FOR” the appointment of Weinberg as our independent registered public accounting firm; and

The persons you name as proxies may propose and vote for one or more adjournments or postponements of the annual meeting, including adjournments or postponements to permit further solicitations of proxies. Such proxy holders may also vote in its discretion on any other matters that properly come before the annual meeting.

Until exercised at the annual meeting, you can revoke your proxy and change your vote in any of the following ways:

- by delivering written notification to us at our principal executive offices at Room 1701-1703, 17/F, The Metropolis Tower, 10 Metropolis Drive, Hung Hom, Kowloon, Hong Kong, Attention: Corporate Secretary;
- by changing your vote or revoking your proxy by telephone or over the Internet;
- if you hold shares in your name, by attending the annual meeting and voting in person (your attendance at the meeting will not, by itself, revoke your proxy; you must vote in person at the meeting);

- if you have instructed a broker or bank to vote your shares, by following the directions received from your broker or bank to change those instructions; or
- if you hold shares in street name with your broker or by a nominee, by obtaining a legal proxy from the institution that holds your shares, attending the annual meeting and voting in person (your attendance at the meeting will not, by itself, revoke your proxy; you must vote in person at the meeting).

If you decide to vote by completing, signing, dating and returning a proxy card, you should retain a copy of the voter control number found on the proxy card in the event that you decide later to change or revoke your proxy.

Solicitation of Proxies

The accompanying proxy is being solicited by our Board of Directors. The entire cost of soliciting proxies will be borne by the Company. The costs of solicitation will include the costs of supplying necessary additional copies of the solicitation materials to beneficial owners of shares held of record by brokers, dealers, banks, trustees, and their nominees, including the reasonable expenses of such record holders for completing the mailing of such materials to such beneficial owners. Solicitation of proxies may also include solicitation by telephone, fax, electronic mail, or personal solicitations by directors, officers, or employees of the Company. No additional compensation will be paid for any such services. The Company may engage a professional proxy solicitation firm to assist in the proxy solicitation and, if so, expects to pay approximately \$3,000 to such solicitation firm.

**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND
RELATED STOCKHOLDER MATTERS**

The following table sets forth, as of April 13, 2018, certain information concerning the beneficial ownership of our common stock by (i) each stockholder known by us to own beneficially five percent or more of our outstanding common stock or series a common stock; (ii) each director; (iii) each named executive officer; and (iv) all of our executive officers and directors as a group, and their percentage ownership and voting power.

The information presented below regarding beneficial ownership of our voting securities has been presented in accordance with the rules of the Securities and Exchange Commission and is not necessarily indicative of ownership for any other purpose. Under these rules, a person is deemed to be a “beneficial owner” of a security if that person has or shares the power to vote or direct the voting of the security or the power to dispose or direct the disposition of the security. A person is deemed to own beneficially any security as to which such person has the right to acquire sole or shared voting or investment power within sixty (60) days through the conversion or exercise of any convertible security, warrant, option, or other right. More than one (1) person may be deemed to be a beneficial owner of the same securities. The percentage of beneficial ownership by any person as of a particular date is calculated by dividing the number of shares beneficially owned by such person, which includes the number of shares as to which such person has the right to acquire voting or investment power within sixty (60) days, by the sum of the number of shares outstanding as of such date. Consequently, the denominator used for calculating such percentage may be different for each beneficial owner. Except as otherwise indicated below and under applicable community property laws, we believe that the beneficial owners of our common stock listed below have sole voting and investment power with respect to the shares shown.

Name of Beneficial Owner ⁽¹⁾	Number of Shares Beneficially Owned ⁽²⁾	Percentage of Shares Beneficially Owned ⁽²⁾
Officers and Directors		
Lee Chong Kuang ⁽³⁾ President, Chief Executive Officer and Director	20,099,600	37.76%
Loke Che Chan Gilbert Chief Financial Officer and Director	18,438,450	34.64%

Hee Chee Keong Independent Director	0	0%
Shum Albert Independent Director	0	0%
Chin Kiew Kwong Independent Director	0	0%
How Kok Choong Independent Director	55,400	0.10%
All officers and directors as a group (7 persons named above)	39,814,950	74.79%

(1) Except as otherwise set forth below, the address of each beneficial owner is Room 1701-1703, 17/F, The Metropolis Tower, 10 Metropolis Drive, Hung Hom, Kowloon, Hong Kong.

(2) Based on 53,233,960 shares of common stock outstanding as of April 13, 2018, together with securities exercisable or convertible into shares of common stock within 60 days of April 13, 2018. Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission and generally includes voting or investment power with respect to securities. Shares of common stock that a person has the right to acquire beneficial ownership of upon the exercise or conversion of options, convertible stock, warrants or other securities that are currently exercisable or convertible or that will become exercisable or convertible within 60 days of April 13, 2018, are deemed to be beneficially owned by the person holding such securities for the purpose of computing the number of shares beneficially owned and percentage of ownership of such person, but are not treated as outstanding for the purpose of computing the percentage ownership of any other person.

(3) Represents 18,438,450 shares held directly by Mr. Lee Chong Kuang and 1,661,150 shares held by his spouse Yap Pei Ling.

- appointing and overseeing any compensation consultants or advisors.

Corporate Governance and Nominating Committee

Our Corporate Governance and Nominating Committee was established on March 17, 2017 and currently consists of Mr. Shum Albert and Mr. Chin Kiew Kwong. Mr. Shum Albert serves as chair of the Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee did not meet in person at any time during 2017, but did act by written consent on two occasions. The Corporate Governance and Nominating Committee will be responsible for, among other matters:

- selecting or recommending for selection candidates for directorships;
- evaluating the independence of directors and director nominees;
- reviewing and making recommendations regarding the structure and composition of our board and the board committees;
- developing and recommending to the board corporate governance principles and practices;
- reviewing and monitoring the Company's Code of Business Conduct and Ethics; and
- overseeing the evaluation of the Company's management.

Identifying and Evaluating Nominees

In considering candidates for membership on the Board of Directors, the Corporate Governance and Nominating Committee will take into consideration the needs of the Board of Directors and the candidate's qualifications. The Corporate Governance and Nominating Committee will request such information as:

- The name and address of the proposed candidate;
- The proposed candidates resume or a listing of his or her qualifications to be a director of the Company;
- A description of any relationship that could affect such person's qualifying as an independent director, including identifying all other public company board and committee memberships;
- A confirmation of such person's willingness to serve as a director if selected by the Board of Directors; and
- Any information about the proposed candidate that would, under the federal proxy rules, be required to be included in the Company's proxy statement if such person were a nominee.

Once a person has been identified by the Corporate Governance and Nominating Committee as a potential candidate, the Corporate Governance and Nominating Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. Generally, if the person expresses a willingness to be considered and to serve on the Board of Directors and the Corporate Governance and Nominating Committee believes that the candidate has the potential to be a good candidate, the Corporate Governance and Nominating Committee would seek to gather information from or about the candidate, including through one or more interviews as appropriate and review his or her accomplishments and qualifications generally, including in light of any other candidates that the Corporate Governance and Nominating Committee may be considering. The Corporate Governance and Nominating Committee's evaluation process does not vary based on whether the candidate is recommended by a shareholder.

The Corporate Governance and Nominating Committee will, from time to time, seek to identify potential candidates for director nominees and will consider potential candidates proposed by the Board of Directors and by management of the Company. There is no specific board diversity policy in place presently.

Board Leadership Structure and Role in Risk Oversight

Mr. Lee Chong Kuang holds the positions of chief executive officer and chairman of the board of the Company. The board believes that Mr. Lee's services as both chief executive officer and chairman of the board is in the best interest of the Company and its shareholders. Mr. Lee possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company in its business and is thus best positioned to develop agendas that ensure that the Board's time and attention are focused on the most critical matters relating to the business of the Company. His combined role enables decisive leadership, ensures clear accountability, and enhances the Company's ability to communicate its message and strategy clearly and consistently to the Company's shareholders, employees and customers.

The board has not designated a lead director. Given the limited number of directors comprising the Board, the independent directors call and plan their executive sessions collaboratively and, between meetings of the Board, communicate with management and one another directly. Under these circumstances, the directors believe designating a lead director to take on responsibility for functions in which they all currently participate might detract from rather than enhance performance of their responsibilities as directors.

Management is responsible for assessing and managing risk, subject to oversight by the board of directors. The board oversees our risk management policies and risk appetite, including operational risks and risks relating to our business strategy and transactions. Various committees of the board assist the board in this oversight responsibility in their respective areas of expertise.

- The Audit Committee assists the board with the oversight of our financial reporting, independent auditors and internal controls. It is charged with identifying any flaws in business management and recommending remedies, detecting fraud risks and implementing anti-fraud measures. The audit committee further discusses Greenpro policies with respect to risk assessment and management with respect to financial reporting.
- The Compensation Committee oversees compensation, retention, succession and other human resources-related issues and risks.
- The Corporate Governance and Nominating Committee overviews risks relating to our governance policies and initiatives.

Family Relationships

There are no family relationships between any of our directors or executive officers.

- Any conviction in a criminal proceeding or being subject to a pending criminal proceeding (excluding traffic violations and other minor offenses);
- Being subject to any order, judgment, or decree, not subsequently reversed, suspended or vacated, of any court of competent jurisdiction, permanently or temporarily enjoining, barring, suspending or otherwise limiting his involvement in any type of business, securities or banking activities;

- Being the subject of or a party to any sanction or order, not subsequently reversed, suspended or vacated, of any self-regulatory organization (as defined in Section 3(a)(26) of the Exchange Act, any registered entity (as defined in Section 1(a)(29) of the Commodity Exchange Act), or any equivalent exchange, association, entity or organization that has disciplinary authority over its members or persons associated with a member.

Certain Relationships And Related Transactions

Except as set forth below, we have not been a party to any transaction since January 1, 2016, in which the amount involved in the transaction exceeded or will exceed the lesser of \$120,000 or one percent of the average of our total assets as at the year-end for the last two completed fiscal years, and to which any of our directors, executive officers or beneficial holders of more than 5% of our capital stock, or any immediate family member of, or person sharing the household with, any of these individuals, had or will have a direct or indirect material interest.

Our policy is that a contract or transaction either between the Company and a director, or between a director and another company in which he is financially interested is not necessarily void or void-able if the relationship or interest is disclosed or known to the board of directors and the board of directors is entitled to vote on the issue.

Transactions with certain companies which Greenpro Venture Capital Limited owns certain percentage of their company shares and companies that we have determined that we can significantly influence based on our common business relationships.

Related party transactions amounted to \$329,645 and \$406,631 for the years ended December 31, 2017 and 2016, respectively, in service revenue and rental revenue.

Our related parties are those companies where Greenpro Venture Capital Limited owns a certain percentage of the shares of such companies, and companies that we have determined that we can significantly influence based on our common business relationships. One related party is under common control of Mr. Loke Che Chan, Gilbert, a director of the Company. All of these related party transactions are generally transacted at an arms-length basis at the current market value in the normal course of business.

Section 16(a) of the Securities Exchange Act requires our executive officers and directors, and persons who own more than 10% of our common stock, to file reports regarding ownership of, and transactions in, our securities with the Securities and Exchange Commission and to provide us with copies of those filings. Based solely on our review of the copies of such forms furnished to us and written representations by our officers and directors regarding their compliance with applicable reporting requirements under Section 16(a) of the Exchange Act, we believe that all Section 16(a) filing requirements for our executive officers, directors and 10% stockholders were met during the year ended December 31, 2017.

The Board of Directors has appointed Weinberg & Company P.A. (“Weinberg”) to audit our consolidated financial statements for the fiscal year ending December 31, 2018. Weinberg has served as our independent registered public accounting firm since 2017. If the stockholders do not ratify the selection of Weinberg as our independent auditors for the fiscal year ending December 31, 2018, our Board of Directors will evaluate what would be in the best interests of the Company and our stockholders and consider whether to select new independent auditors for the current fiscal year or whether to wait until the completion of the audit for the current fiscal year before changing independent auditors.
